
Quick Tips For a Beautiful Tan

- 💧 Always schedule your manicures, pedicures, waxing and hair appointments 24 to 48 hours prior to your airbrush session.
- 💧 Take time to properly prepare your skin for the airbrush session. Ask your technician for an airbrush preparation pamphlet.
- 💧 Wear dark loose clothing to your session (cotton is recommended).
- 💧 Be prepared with an umbrella if there is rain in the forecast.

LOTION...LOTION...LOTION

Make sure that you moisturize your skin daily with the recommended lotion. This will maintain and extend the life of your gorgeous tan!
